

Blood Bound (Bound series Book 1)

Julian Luceanu is rich, powerful...and tired of the kind of women who only want him for his money. Nor is he alone in that, there's his cousin to consider. He, they, wanted something more, much more. It would take a special woman, if they could find her. Internet dating seemed a little far-fetched, but nothing else had worked. At least he'd be more or less anonymous. But although paranormals were becoming more accepted, Julian had a secret that would put all their lives at risk. This is a work of erotic m/f/m paranormal fiction.
