

Nightfire: Taken by the Pack #4 (A Paranormal Menage Romance)

Lisa Bright and her two werewolf lovers, Toby and Warren, are finally getting things sorted out. They're on the way to DC, where they're hoping to win an audience with the Alpha Father - the only person who can give permission to make Lisa one of the pack, and thus protect her from the murderous intentions of Old Pete, who has been tracking them since their encounter in California. But nobody does anything for free in the were community, and before Lisa gets to stand before the Alpha Father she's going to have to do some favours... favours that might lead her to her death... Nightfire is a 7500 word short story, and the fourth book in the TAKEN BY THE PACK romance/erotica series. Nightfire contains steamy menage scenes between Lisa and her two men, and is 18+ only.
