

Sarah Gets Tied Up on the Way to Work (Tales of Sexual Domination and Submission)

After a morning of being used by her new boss, Sarah is running late for work. Wanting to make a good first impression at her new job, she is determined to make it there on time. Just one problem: her car ends up in a ditch on private property, with no help around for miles. Now, the man who owns the property is offering a deal: he'll give Sarah a ride, but only if she gives him one first. This short story (about 5000 words) contains explicit sex, bondage, and minor elements of reluctance/dubious consent. It also contains two free excerpts from other short stories by Eve Rivers. Word count does not include excerpts.
