

## Hot SEALs: Protecting Julie (Book 6.5) (Kindle Worlds Novella) (SEAL of Protection 0)

Protecting Julie is book 6.5 in the SEAL of Protection Series. Julie Lytle is working hard to turn her life around. Being kidnapped by sex traffickers changed her drastically, but having grown up the spoiled daughter of a senator, Julie wishes she could've changed just a little sooner. Shamed by her behavior toward the woman rescued alongside her, and further embarrassed and guilt-racked over the way she treated the SEALs who risked their lives on her behalf, Julie is desperate to make amends. With help from Missy Greenwood, a D.C. acquaintance who endured her own harrowing experience, Julie connects with Patrick Hurt, Commander of the SEALs who saved her life. If she can prove she's not the same person who mistreated his team, he'll grant her request to meet them but not before the protective, sexy man makes a surprising request of his own. \*\*Protecting Julie is a Kindle World crossover novella with the SEAL of Protection Series and Cat Johnson's Hot SEALs Series. It can be read as a stand-alone, but we recommended reading the other books in the SEAL of Protection Series in order to get maximum enjoyment.
