

ITM: Winning Legal Strategies for Structuring Executive Compensation Plans: Leading Lawyers on CII Policy, SEC Registration Requirements, and New-Age Securities Compliance (Inside the Minds)

Winning Legal Strategies for Structuring Executive Compensation Plans is an authoritative, insiders perspective on the complex issues surrounding working with executives and companies to navigate the legal issues involved in compensation plans. Featuring department heads, group chairs, and leading partners representing some of the nations top firms, this book provides a broad, yet comprehensive overview of the negotiation process, discussing the complex clauses and endless details to focus on from both a companys standpoint as well as the executives standpoint. From utilizing compensation programs which offer company stock as incentive to the corporate governance provisions of the Sarbanes-Oxley Act accounting rules, these authors articulate the finer points around executive compensation now and what will hold true into the future. The different niches and the breadth of perspectives represented enable readers to get inside some of the great legal minds of today, as experts offer up their thoughts around the keys to success.
