

## Layers Deep (Layers Trilogy) (Volume 1)

He needs her to save a friend. She needs him to plan her revenge. Their pasts scar them Layers Deep. Their passion distracts them... ..and distractions can be fatal. Tristan Cross is battling emotional demons from the past. He lives in a world where trust is earned, loyalties are tested, and love is impossible. That is, until he meets Allie Green. Shes the only woman who can help him find a kidnapped friend and to top it off, she captivates him. All he has to do now is persuade her to work for Cross Enterprises, his top investigations firm. Allie Green is a rookie cop seeking revenge and shes willing to sell her soul to get it. When an opportunity to use Tristan Cross presents itself so does the time for payback. As her vengeance boils her blood she cant keep her mind off her new boss and Allie finds it difficult to keep her employment professional. With the mouth watering Tristan Cross distracting her, she struggles to prioritize an undercover job shes been assigned and her hunger for revenge. And when youre ready to give up your life to save someone else, distractions can be fatal. Note: This new adult/erotic romance novel is the first part of a Trilogy that is designed to be read in order. Tristan and Allie will get their happy ending but not until book 2. This book contains a suspenseful cliffhanger ending you will not expect. A prequel to the series which can be read alone is Dazzled by Silver. Warning: This title contains erotic situations and graphic language. Intended for adult audience 18+.
