

The Border Lord

Ordered to marry, Laird Lachlan Kerr thought a betrothal to homely, timid Lady Grace Stanton was hardly worth the trouble of protest. Yet, despite everything, he found there was something about her that was brave. All his life he had been surrounded by betrayal, and this woman, who believed there was still goodness in him, was special indeed. Grace knew that the safety of her home depended on her betrothal signed, sealed and delivered! Lachlan's strength and unexpected care of her were dangerously appealing. She could fall for this man with secrets in his eyes.
