

Boss Hog Cuckold: Watching My Wife With The Bikers

Katie takes on the night shift at the hospital or does she? When her husband starts to suspect that shes having an affair, he follows her and gets a big surprise. It seems his wife has a debt to pay to some bikers, and they are all too willing to show him what she does at work all night. And because hes in the wrong place at the wrong time, theyll be sure to humiliate him as much as possible, too! Explicit scenes for adults only abound in this story of cuckold humiliation in a biker bar.
