Its 1859 and love is starting to blossom in these beautiful, gold, rich hills of Colorado. This historical, inspirational Western romance much loved series is about empowered women who selflessly give up everything for the improvement of their families. They turn around their hopeless circumstances in this 19th-century tale of the old West, with strong faith and discover authentic men and true love. Meet Minnie, not only did she lose her family to a tragic house fire, she also found herself penniless and running out of good choices. After being pursued by an acquaintance of her father who is rich and older, she becomes desperate. She is afraid he will take advantage of her, and nobody will come to her defense. With much doubt, she heads out on a three-week train ride to marry a wealthy gold miner and inventor that she's never met. What fear does Minnie have that she has not told James? Will Mr. James Thorton be all that he seems? Can they put all the pieces back together and rise above the misfortune and find true love and happiness? So come on down and hang out with the folks at Golden Colorado including the tall, handsome, gifted inventor James Thorton, the amazing, giving Jacob Schueler and of course, gorgeous Minnie who is unsure of her power and strength.....a story of hope, fear, romance, suspense and true love..... While this book is part of a series, it can definitely be read as a standalone book.
