

Bracken Ridge

When Anna Fletcher comes home from University back to Bracken Ridge, the equine centre where she grew up, she is stunned to find Jeremy McCrae working as the manager. They were children together and she has had a crush on him forever. The years she's been away, Jeremy has only gotten cuter. Anna has plans for Bracken Ridge, but before she can implement them, she needs to prove herself. The biggest obstacle in her path is Jeremy. He's the boss - but she can't work for him. He's been her best mate forever, and to cede to his authority now is going against every grain of her nature. Can Jeremy tame Anna's rebellious spirit before it is too late?
