

Bratty Camping: (An MMMF Naughty Younger Woman, Older Guy, Taboo Spanking, First Time Punishment, Short Story) (Men and Brats (Jezebels Forbidden Menages) Book 2)

We always share. Everything. Its against the rules to give something to one of us and not the others. Jessica likes shopping and parties, just like any other brat her age. So when she hears about the camping trip the guys in her house are planning, shes not too excited. Of course shes soon whining and complaining, but shes determined to show everyone shes a grown up now. When shes shivering with cold and sleeping alone in her tent on the hard ground, she gets a filthy surprise that will take away her innocence and keep her warm all night. Can she really handle four men at once? Or will her petite frame just snap in half as they punish her for her bratty behavior and use every part of her tight body for their own pleasure? You can be sure they wont use protection! I cant tell you any of the risky and raunchy details of this taboo tale here, so click on the cover for a free look inside, then buy or borrow Bratty Camping for some wet and wild fun!
