[Menage Amour: Erotic Paranormal Menage a Trois Romance, M/F/M, light bondage, light spanking, HEA] Leaving the troubling dilemma of loving two men behind, Charlotte Perth heads home to California. The last time she was there she just came back from the dead with the gift of being clairvoyant. Now, another young swimmer has drowned and Charlotte realizes it's another victim one who might not have been if Charlotte had only told the truth twelve years earlier. She doesn't count on Jonas Daire and Nash McKnight following her, ready to hammer out the details of being in a menage relationship. Both love her so they're willing to share, as long as they don't kill each other. Only now they have to convince stubborn Charlotte they can make the unusual relationship work. Before she can possibly think of the future, however, she's got a murder to solve while not falling victim twice to the same killer one who's waited a very long time for Charlotte to come home. \*\* A Siren Erotic Romance
