

Bound (Strand Brothers Series, book 2)

WARNING This is a dark erotic thriller which could trigger some people. Please read with caution. When submission, love, and something far too terrifying bind. How far will you go for someone you love? Which lines are you willing to cross? Who will you turn to when the ones that should be there for you aren't? Lacey Kincaid is in search of her drug addicted, twin sister, Keeley. But every time she locates her, Keeley moves on. Now Keeley has disappeared without a trace and its up to Lacey to find her before its too late. Even (pronounced Evan) a.k.a. E Strand is the youngest of three and by far the most dangerous. No, he isnt a badass like his oldest brother, Nik. Nor is he the most handsome like his brother, Alex. His danger lies in his personal preferences in the bedroom. Many know him as the Master and it is a title he deserves. Owner of numerous sex clubs as well as instructor of BDSM Even is fulfilled, until the night a dancer at one of his clubs catches his eye. Shes innocent. Beautiful. Off limits. Yet he wants her for his own. It doesnt take long for E to realize the woman he desires to dominate needs his help. As their journey to find Keeley runs into one dead-end after another, passion ignites between these two. But is it enough to bind them together forever? Or, will the bond between sisters keep the lovers apart? Can they free Keeley from the clutches of a madman in time? And if they do, will happily ever after be in their future? Please note: This book should not be read as a standalone due to the subplot tie in with Branded (Strand Brothers Series, book 1). ***Due to violence, language, & sexual content this book recommended for 18+***
