

Bearing Your Burden (BBW Shifter Erotic Romance)

Bryan is a bear shifter who has had enough suffering in his forty years to last him ten lifetimes. He's retreated to his isolated mountain cabin and cut himself off from humanity, and all the pain they bring. So the last thing he needs is Lizbeth the busty, sassy daughter of a long estranged friend barging into his life and making a complete nuisance of herself. Or at least, that's how he sees it. Lizbeth has... other ideas. As things heat up between them, and he finds himself unable to draw his eyes away from those warm, luscious curves, Bryan can't stop himself from thinking: Maybe he's found someone to reignite the lustful passions he thought long-extinguished... And maybe, just maybe... he's found a mate for life... (This is a stand-alone story, without a cliffhanger, but with explicit scenes of a sexual nature. STRICTLY OVER-18 ONLY)
