

Buttception: A Butt Within A Butt Within A Butt

Chuck Tingle, a writer who defined a generation with his sensual brand of homoerotic thriller, is back with a three-book collection that has been heralded by Death And Taxes Magazine as a transhumanist masterpiece. What begins as the simple story of a mans true love for a gay unicorn sailor quickly evolves into something else entirely, each tale pulling farther and farther out to reveal a breathtaking glimpse at the greatest author of our time. Like a butt within a butt within butt, this trilogy will have your perception of time and space turned completely upside down in total buttception. Welcome to the future of literature. ANALLY YOURS, THE UNICORN SAILOR Out for a stroll after breaking up with his girlfriend, Tuck never could have imagined that he would meet the love of his life in the form of a gay unicorn sailor named Hunter, but thats exactly what happens. The two share a romantic evening until its revealed that Hunter is about to embark on a year long sail around the world. However, their love remains strong in a series of explicit letters.

But Hunter is planning something that will redefine the meaning of love between a man and a unicorn. Soon Tuck finds himself whisked away to the Bahamas on a private helicopter for a hardcore, anal surprise that will have your jaw on the floor.
