

## The Flintstones (Insight Editions Mini-Classics)

Yabba Dabba Do! Celebrate more than 45 years of your favorite Neolithic American family and own a piece of cartoon prehistoria with The Flintstones Insight Mini-Classic. The Flintstones are just your average Modern Stone-Age Family with a woolly mammoth water heater and a housebroken Snorkasaurus named Dino. The Flintstones proved that cartoons were more than a childrens medium, introducing wry wit to an animated series that appealed to parents and kids alike. Join Fred, Barney, Betty, Wilma, and the kids for a night out in bedrock--bowling or just kicking your feet up with the Loyal Order of Water Buffalos.
