

The Kabuki Theatre of Japan

Highly recommended. Library Journal. One of the most comprehensive handbooks available on Kabuki theatre provides readers with all the information they need to understand and appreciate this exciting amalgam of dramatic and musical arts. A clear and thoughtfully written text describes the theaters development in the context of Japanese history, with detailed analyses of actors techniques, music and dance, plays and playwrights, the playhouses design evolution, and six representative Kabuki plays. Includes glossary of Japanese terms. Invaluable to students, scholars and anyone intrigued by classical Japanese theater.
