

The Law of Contracts and the Uniform Commercial Code, Loose-Leaf Version

Succeed in your contract law course with THE LAW OF CONTRACTS AND THE UNIFORM COMMERCIAL CODE, 3e. This practical book covers all of the important features of common law contracts, as well as Article 2 of the Uniform Commercial Code. Real cases demonstrate how the concepts in each chapter are applied, and the fact pattern is used throughout the chapter to show you how contracts and their concepts affect our daily lives, often with unusual results. Using a fluid and interesting writing style, the author reduces contract law to its basic components and provides examples that build on other examples. Learning objectives, chapter summaries, review questions, exercises, and a running glossary help you fully understand this complex area of the law.
