

Candle Street Hall - Book One in The Teasing the Devil Trilogy

First part in the wickedly erotic Teasing The Devil series by Monica Belle with occult and female submission themes. For Chloe Anthony, the dark and brooding Julian dAlveda has always been the one that got away since he was expelled from college under mysterious circumstances. Years later, he still plays a major role in her hottest, most explicit fantasies. But when, on the offchance, she discovers his whereabouts - giving ghost tours in a grand country house - she decides its high time to lay her true feelings bare - and much more. What Chloe doesnt bargain for is becoming embroiled in Julians money-making scheme that dallies with the occult, or her irresistible attraction to his boss, the haughty mistress of Candle Street Hall, Vanessa Aylsham. But just because these things were unexpected doesnt mean that Chloe isnt coming around to them - or indeed finding a whole new world of pleasure.
