

BWWM Bundle: Beautiful Black Women & the White Men Who Love & LUST Them!

FOUR tales of sexy black women and the white studs who cant get enough!! BWWM bundle includes: - ENTRAPPED by the *White-Hot* \$\$ Billionaire \$\$ - Black Woman, White Knight - I Want Her Black Baby! - Sneaking Into HIS Bed BONUS: - Ridden HARD ... at a special **steal-of-a-deal** rate! WHATS PACKED **TIGHT** INSIDE: ENTRAPPED by the *White-Hot* \$\$ Billionaire \$\$ No woman would ever need a vibrator again with a mouth like his. Laura had never given herself to any man. That was supposed to be reserved for marriage, or at least Mr. Right -- and no man had ever made it that far, to be worthy of that label. That is until she meets Scott, the white-hot billionaire, who draws Laura to him in a way that she simply cant say no. In a way she doesnt want to say no. Never in her wildest dreams would this chocolate goddess have imagined her first time to be anything but vanilla. But vanilla, it seems, isnt even in a dom like Scotts vocabulary but as Laura quickly discovers, when you submit is when you feel everything. HARD. RAW. and to the bone

Black Woman, White Knight Would you ever consider fucking someone whos married? Dash was the only man that Jada had ever been with. Not only did she give him her heart, but also *her first time*. But what they shared together lacked passion -- it wasnt the pussy-wetting, panty-dropping, heavy-panting kind of love Jada had always hoped for. She commits to Dash, anyway, underestimating the importance of being compatible between the sheets. Two years into their relationship, Jada meets up with some of Dashes work buddies at a bar. This is when she first lays eyes on Eric, her white stallion. He has so much more to say about life and the big issues compared to Dash, and Jada cant help but find this irresistibly sexy. She starts to wonder what it would feel like to have someone other than Dash inside of her, someone like

Eric... (the BWWM version of A Betrayal on Two Counts) I Want Her Black Baby! Mmm, baby girl... your black pussy fits me like a glove. Mike -- whos white -- has been obsessed with fertile females ever since his black wife, Shonda, was first pregnant by her ex-boyfriend. The fuller, milky breasts; the big, baby-filled belly... not to mention the hotter sex -- of which Mike didnt get to indulge in for very long. Now that Shondas bundle of joy, Brittney, is *18* and all grown up, Mike cant help but notice how pure and wholesome she is. When a co-worker claims to have read something about a pregnant innocent, it plants a seed in his head, and he decides to go on a mission to plant his own... (the BWWM version of Forbidden Fertile Fixation) Sneaking Into HIS Bed It was evident that he was starving for my pussy, his hands pawing me all over as he frantically struggled to take it all in. Black babe Nikki loves the special man in her life SO much; hed do anything for her, and vice versa. So after the lady of the house denies him sex for the umpteenth time, its only natural Nikki would want to be there for him like hed always been for her. Feigning a bad dream, Nikki climbs into her white knights bed, begging to be filled with his thick, creamy seed. Its not just passion hell inject into her, however, but a baby...
