

## Unstoppable: Love with the Proper Stranger//Letters to Kelly

New York Times bestselling author Suzanne Brockman brings readers two beloved stories of men who will stop at nothing to get the women they love. Love with the Proper Stranger: FBI agent John Miller was on the trail of a notorious female serial killer, and he couldn't blow his cover to anyone. Not even the beguiling Mariah Carver, who had unwittingly entangled herself in a web of deadly deceit. The daring lawman couldn't deny his feelings for Mariah, but he was poised to wed another woman: the ruthless Black Widow, who married then murdered her victims. Letters to Kelly: For years, a trumped-up charge and a Central American prison cell kept Jax Winchester from claiming the girl he loved. Now he was a free man. Or was he? He was still a prisoner, in a jail of his own making. The way out this time? Keep that promise he'd made to Kelly O'Brien all those years ago and claim her for his own.
