

Call of Temptation (Call of the Lycan Book 3)

James OConnell lives simply, except for the whole hunting werewolves part. As one of the three lycan princes of the OConnell clan, it's his duty to enforce the lycan law. When a member of their clan begins killing humans, he's sent to bring the rogue wolf in. Claudia Hughes lives an ordinary life as a computer software analyst. Her mother and grandmother had psychic intuition, but hers is severely underdeveloped. Taking a solitary vacation, she trusted where instinct led her and ended up at the end of some crazy woman's fangs. She's led into a surreal world where lycans exist and passion for the man who saved her is the least of her worries. Rating: Contains graphic sexual content, adult language, and violence.
