

Candles: The Ultimate Beginners Guide to Mastering Candle Making in 60 Minutes or Less! (Candles - Candle Making - Candle Making Supplies - Candle Making ... Candles - Candle - Homemade Candles)

How To Make Amazing Candles Make yourself attractive, nicely scented candles in minutes! Learn how to use simple materials that are fairly cheap and often free, to make candles from home or wherever else you may be. The lessons in this book are straightforward and the book talks of materials that you come across in the course of your everyday work. It is fascinating to learn how things you carry for specific purposes while on a picnic, camping or other travel can end up becoming the main ingredients in your candle making process. This goes on to show that you do not have to panic any time your normal lighting becomes problematic or if ever you ran out of fuel. For instance, learning that certain berries or cans of beef can becoming the basis of your candle lighting, is nothing short of amazing. Yet that is precisely what this book teaches you in a clear and simple way. In addition to that wealth of information, you will also be pleased to see how much of cost cutting you can do while making your life comfortable and interesting. By the time you are through reading this book, you will have gathered enough skills to enable you make beautiful and long lasting candles within minutes. What is most interesting, however, is how you will be able to recycle material instead of throwing it away; things like used candle stubs, used vegetable oil and many other materials Why You Must Have This Book! >In this book you will learn how to make candles cheaply. >This book will teach you how to recycle used candle stubs to make new candles. >In this book you will learn how to use certain berries to make candle wax. >This book will guide you step by step in the methodology of making candles. >This book will teach everyone that creativity goes a long way in helping you make yourself candles. >In this book you will learn what you can do if your camping lamps ran out of fuel. >This

book will help you to improvise and use other local materials in place of the conventional candle wax. >This book will teach you how to keep safe while making candles. >This book will give you a detailed explanation of how to make candles both for lighting and for aesthetic reasons. What you'll Discover from Candles * Learning other uses of candles besides lighting * Learning how Bayberries produce candle wax * Learning how to make your own candle wicks * Learning what used items you can recycle and make candles * Being able to produce cupcake candles cheaply, creatively and fast * Being able to making fascinating votives in a short time * Being able to save on lighting and decorating by making customized candles.
