

## Enchanted By The Wolf (Mills & Boon Nocturne)

Love against all odds... Kirnan Savauterres loyalty to his werewolf pack is absolute which is the only reason he agrees to an arranged marriage. He didnt expect his bride to be an utterly enticing mystery. Beatrice is half-faery, maybe a little bit vampire, and altogether delightful. But a relationship that began as a political alliance is soon threatened by discord between the Unseelie court and the werewolves of Paris. And Kirs investigation into Beas lineage reveals disturbing truths. Their love is strong but so are the forces arrayed against them...
