[Siren Menage Everlasting: Erotic Cowboy Menage a Trois Romance, M/F/M, light consensual BDSM, spanking, sex toys, HEA] Erica Colemans abduction unearths painful memories from her childhood. There are evil men lurking in the shadows, hoping to crush Erica and everyone in her hometown. Brothers Dylan and Cam Strange must save her from the killers and also from her past. Dylans own demons are ripping him apart from the inside out. He doesnt believe he deserves someone as wonderful as Erica. Knowing shes in danger, he begins teaching her to defend herself. Even though he knows it would be best to leave her, he just cant bring himself to do it. Cam has been in love with Erica for years. Theres no man he respects more than his brother, Dylan. Hes always believed that one day, he and Dylan would share Erica. That time has come. He senses the pain in the pair and understands the only way for them to heal is to be together--the three of them. Will this trio choose love or will evil triumph destroying them all? Note: There is no sexual relationship or touching for titillation between or among siblings. ** A Siren Erotic Romance
