

Commando (Mills & Boon M&B)

As a mercenary, Jake Randolph had faced danger and walked away unscathed. Yet, as a man, he had confronted love and lost much more than his heart. But his latest assignment, locating beautiful Shah Sungilo Travers, reminded Jake of what was missing in his own life. Shah had traveled to the Amazon to escape unwanted male attention. However, Jake's determination to keep her safe was quickly wearing down her resolution to lead a secluded life. Jake claimed the jungle was no place for her, but would Shah be any safer in his arms?
