

Cartoon 360: Secrets to Drawing Cartoon People

There's more to great cartooning than drawing a funny face. You need to match that head to a body, give your character expression and attitude, and move him this way and that to tell your story, all while keeping his look consistent from frame to frame. **Cartoon 360** covers every angle of drawing fantastic cartoon people, from coming up with fresh ideas for an endless assortment of faces, to bringing your work to a polished, professional finish with inking and coloring. Harry Hamernik's three-dimensional drawing method helps you design fun cartoon characters from head to toe AND draw them again and again, from any angle and in any pose you want. Easy-to-follow demonstrations show the start-to-finish evolution of a variety of character types and poses. Every page is loaded with fun examples and expert secrets, like the amazing power of feature spacing and head height measurements. A power-packed, must-have guide for anyone who wants to draw cartoons, this book contains enough skills and insights to go around for characters that pop off the page.
