

Law Enforcement Response to Child Abuse (Portable Guides to Investigating Child Abuse)

Law Enforcement Response to Child Abuse like all the Portable Guides in this series is designed to assist those working to help protect children from being victimized and to improve the investigation of child abuse cases. This guide arms law enforcement professionals with the information needed to ensure consistency in their investigation of child abuse. Pertinent considerations and helpful investigatory protocols are provided. Other useful materials include suggestions on working with physicians, responding to domestic disturbance calls, and placing children in protective custody. Supplemental readings and additional resources are cited. In protecting our children from criminal predators, law enforcement professionals are serving their communities and their Nation. We hope that this guide will aid in that worthy endeavor.
