

Catchin Feelings for a Thug 2

Honey is back and ready for revenge in the sequel to *Catchin Feelings for a Thug*. After allowing herself to get caught up in her feelings over Fella's thuggish ways, she sets out to hurt the man who had broken her heart. What she didn't count on was him putting her in a position to make her hate him more than she already did. When things go way south and she is left to fend for herself, Honey begins to wonder if she could possibly still love him. New lovers, old drama and the vicious war between love and hate has her questioning whether or not *Catchin Feelings for a Thug* was a good idea.
