

## Argus: Accepting the Challenge (Denver Pack Book 10)

Argus know who he is and what his destiny it. He is one of the Chosen, now he has to step forward with his Pride and take his place. Before he can, circumstances change and he has to take care of business before he leaves. Jacob is Arguss mate. They have known for a long time, but they waited to find their female before claiming each other. He has searched for years for their missing mate, suddenly she appears only miles from their Pride, and she is human. Skye doesnt want or need another man in her life; she is running from her ex already. So, when two men approach her and tell her the most amazing story about shifters and mates, she refuses. She does not need another crazy man in her life, let alone two. Warning Sexually explicit content inside. MMF
