

## CCNP Exam Cram 2 Bundle

The CCNP Exam Cram 2 Bundle offers 4 books in one value priced bundle: BSCI, BCMSN, BCRAN, and CIT. Each book is written by an authority in the field and includes 2 practice exams plus a CD test engine with an additional practice exam by PrepLogic. All material has been approved by Cramsession experts! These books are not intended to teach readers new material, but assume readers already have a solid foundation of knowledge and only need a refresher on important concepts. The books feature test-taking strategies, time-saving study tips, and a special Cram Sheet that includes tips, acronyms, and memory joggers not available anywhere else. The series is supported online at several Web sites: examcram2.com, informit.com, and cramsession.com.
