

# CCNA Security Course Booklet Version 1.2 (3rd Edition) (Course Booklets)

CCNA Security Course Booklet Version 1.2 Your Cisco Networking Academy Course Booklet is designed as a study resource you can easily read, highlight, and review on the go, wherever the Internet is not available or practical: --The text is extracted directly, word-for-word, from the online course so you can highlight important points and take notes in the Your Chapter Notes section. --Headings with the exact page correlations provide a quick reference to the online course for your classroom discussions and exam preparation. --An icon system directs you to the online curriculum to take full advantage of the images embedded within the Networking Academy online course interface and reminds you to perform the labs and Packet Tracer activities. The Course Booklet is a basic, economical paper-based resource to help you succeed with the Cisco Networking Academy online course.
