

Ambers Toy (romance and BDSM)

Overweight and unattractive, Amber thought she finally found love only to have her heart broken by hunky Tony Jeffers. When he humiliates her, she decides to devote her life to helping others, and forsake ever finding a man. A tragic plane crash proves to be her salvation. After a stint with a jungle tribe, and with the help of the wise woman of that tribe, Amber finds the means to avenge herself, and keep Mr. Hunk from hurting anyone else. To top it all off, when the bad boy realizes who it is and what she's doing, it's a huge turn on for him. Can the two find love after all?
