

Sitter Sex Party: Three Holes, Four Woods (Sitter Sex Parties)

Four men, one woman... and all she can take! Kayla is used to looking after the Sorenson children in their posh suburban mansion, but she can't believe her luck when the parents invite her to sit the kids on their Florida vacation with three other couples. Things go south when the children and Mrs. Sorenson come down with a nasty cold, but Mr. Sorenson invites Kayla to tag along on a golf outing to escape the claustrophobic hotel suite. Sandwiched between Mr. Sorenson and his buddy Paul on the golf carts narrow seat, she can't help but notice how often they brush against her bare thighs, and the rest of the foursome isn't shy about admiring her curves. Things heat up by the 18th hole, and soon Kayla has her hands (and holes) full of woods, balls, and shafts! She'll need a tight grip and a smooth stroke to satisfy all four men! Explicit adult content. 5,100 words.
