

Charm School Digital No 4

The characters charm you for who they are long before you notice they're the kind of pretty that makes men and women of any orientation stammer and blush when they see it in real life. Victoria Conatser, Sequential Tarts An F/F paranormal romance and fantasy comic book, b/w art. Dean is challenged by the werewolves to a death race on, of all days, Sweethearts Day. With the vampire neglecting her girlfriend, the lil red demon, Pippita, easily encourages Fairer Than to move herself into Bunny territory. Love is in the air in the town of Little Salem but for Bunny, that love may lead to a preternatural death match of vampire versus fairy muscle. The challenge is on! A paranormal, lesbian romance and comic book that was nominated for a Gaylactic Spectrum award: Meet magical witch girl Bunny, a good teen witch happily attending Haunt High, drinking Ghost Shakes at Shivers, and dancing her supernatural midnights away at cemetery spook fetes. Dean is her perfect greaser, vampire girlfriend, but beyond hotrods and motorcycles lies something more in the Enchanted Forest: fairies. And even among such ancient, preternatural denizens, they've someone to fear, namely the notorious heart breaker and home wrecker, the dark fairy, Fairer Than. Fairer Than: Gorgeous, red-haired, stronger than a fairy ought to be, and smoldering in more ways than one. Her reputation has Daughters of the Faerie Court flee before her wake lest they fall for her charms. And there's a certain teen witch she'd like to charm, if only a certain vampire was out of the picture. Dean: The coolest vampire greaser in Little Salem, ready to defend her girl and show her a great time except when she's distracted by a dark fairy who threatens to take Bunny away.
