

Chinna Katha: Book 3

Bhagawan Baba has, over the years, conveyed great messages of divinity that have startled the minds of the greatest scholars. Yet, the divine master has the ability to convey these profound messages in language and images that can be easily understood by the unlearned, but equally appreciated by the learned. While Baba makes His speeches, devotees hang on to every word, but yet there is a stir of excitement and anticipation, when He mentions the words in Telugu to the following effect, Here is a chinna katha, and then, the most profound messages are conveyed through little stories that delight the young and astonish the adults. Sister Dr. Lean and her team of Sai Workers have been, for years, engaging themselves in this labour of love; of going through the speeches of Bhagawan Baba and excavating the jewels of the chinna katha, and presenting these in a pictorial form, so that through the messages conveyed through the comics presentation format, it is easily readable and enjoyable for not only children, but also adults.
