

Afraid to Die (An Alvarez & Pescoli Novel Book 4)

Afraid To Die Others may dread the chill of winter, but he relishes it. The way the frigid water preserves his victims, the feel of their icy skin beneath his fingers. . . . And soon the world will see their beauty--and his vengeance. Afraid To Run The town of Grizzly Falls is on edge in the wake of a serial killer, and Detective Selena Alvarez is no exception. That case was solved, but a new nightmare is about to unfold. There are two victims so far--their bodies found frozen solid and deliberately displayed. Both are women she knew. And each wears a piece of Selenas jewelry. . . . Afraid To Die Selenas partner, Detective Regan Pescoli, and the entire department are on the case, as is P.I. Dylan OKeefe--a man Selena got too close to once before. But this killer already knows too much about Selenas secret terror, her flaws, and the past shes tried to outrun. And soon hell show her that she has every reason to be afraid. . . .
