

Alien Lover: SciFi Alien Erotica

Unconvinced of her fiancée's demise, Molly combs the galaxy to search for him. As her supplies run low, she is forced to turn around and set a course for Earth, alone. But, a Moloxian Starcruiser halts her retreat, and the single passenger transports onto her ship without permission. Taser in hand to defend herself, she is startled as the form remolds into her fiancée. Has Diego found her or is her tired mind playing tricks? Note: This is a previously published title.
