

WIFE SWAP 3: An Erotic Drama and Romance Mystery Thriller

The ocean voyage of their erotic drama continues for June and Bill Carter and attorney Shay Golden and her Honolulu Vice Squad detective husband Jack Silver.

This time the viewpoint is from lovely brunette June Carters sexy point of view, and the former erotic dancer wife of the real estate investor shows why she has invested so much of herself in the sexual events that had been testing all of them. As the pretty brunette June had been pushed and tested right along with her beautiful blonde haired friend Shay by the kinky husbands, June had more secrets than they knew about. The island tour is turning into a tour-de-force of sex scenes that June arranges. She might be the perfect victim who is using her sexy ways and wiles to stage it all. They all think they are getting what they want. But what June really needs might be causing the swells that could send them all overboard with each other. Some sexy games of revolving partners could end up with all of them in hot water. Hard men and wet women all have their own ideas about couples therapy.
