

A treatise collected out of the statutes of this kingdome, and according to common experience of the lawes, concerning the office and authorities of coroners and sherifes (1638)

EARLY HISTORY OF THE LAW. Imagine holding history in your hands. Now you can. Digitally preserved and previously accessible only through libraries as Early English Books Online, this rare material is now available in single print editions. Thousands of books written between 1475 and 1700 can be delivered to your doorstep in individual volumes of high quality historical reproductions. With extensive collections of land tenure and business law forms in Great Britain, this is a comprehensive resource for all kinds of early English legal precedents from feudal to constitutional law, Jewish and Jesuit law, laws about public finance to food supply and forestry, and even immoral conditions. An abundance of law dictionaries, philosophy and history and criticism completes this series.
