

Color Yourself Smart: Geography

What's the windiest place in the world? (Commonwealth Bay in Antarctica.) What is the largest river in the United States? (the Mississippi River.) What is the surface area of the earth? (197 million square miles!) Learn these facts and more with Color Yourself Smart: Geography! A revolutionary new coloring book for grown-ups, Color Yourself Smart: Geography includes 52 maps for you to color. You'll improve your memory and display your artistry on pages featuring the 50 U.S. states, including capitals and national parks; each of the 7 continents, from Africa to South America; world population density and population growth; and member countries of the United Nations and the European Union. And don't stop when you finish coloring! Test yourself with a quiz, check out the full-color, completed maps at the end of the book, and start asking your own questions about our world. With 10 fascinating facts on every page, you'll soon know more than you ever thought possible and by the time you finish Color Yourself Smart: Geography, you'll have colored yourself smart!
