

Exotic BDSM Club: Complete Boxed Set

Own all five books of Exotic BDSM Club in one collection! Description from A Werewolfs Desire When I received this strange ad claiming to offer out of this world experiences, there was no way I couldnt not investigate it. When I asked them if they had werewolves, and they said yes, I was prepared for a new and exhilarating joyride. But as soon as I saw two handsome men, ready to go at me and let their primal desires take over, I knew this would be a night to remember. Description from A Vampires Desire I knew vampires existed. I knew that they werent creatures to take lightly. But I never expected to meet one sounique. His touch was enflaming, his bite was poison, and with each passing second, I found myself wanting more of him. My mind was eroding with pleasure, and I was losing myself to lust, but I long passed the point of caring. I was enjoying myself too much.

Description from A Billionaires Desire My being filled with anger when the clubs gatekeeper told me all of their services had been booked, save for one billionaire. What was special about a billionaire, and why was he even here? I came all this way for a paranormal experience, not an abnormal one. But I let curiosity get the best of me. He had to be here for a reason right? As he came into the dungeon, my mind was prepared for a normal BDSM session. But I soon found out that there was nothing normal about this man at all. I was wrong about him; very wrong.

Description from A Werespirts Desire When I received a call thanking me for my patronage and offering me a VIP midnight special, I had no idea what to expect, but I had to act. It turns out my surprise was one exclusive session with a werespirt, a foreign creature to me. I had no idea what this being was capable of, and seeing the tempting charmer of a man didnt give me any clues to his potential, but I would soon find out. By the end of the session, I

would know the true definition of personal.

Description from A Devils Desire My sister made a deal with a devil, and I was the participant. But for a one night passionate session between me and another paranormal creature, I couldnt me more thrilled. My enthusiasm took a hit once I learned the conditions. If I temporarily allowed this devil to borrow my soul, we could have what we and our dreams would come true. It wasnt an easy decision to make. That is, at least until I saw the majestic devil with my own eyes. It was then that I realized that saying no to this charmer would be next to impossible. He had me under his spell, and I was in for another unforgettable session. This collection includes all five shorts of Exotic BDSM Club.
