

Representing Plaintiffs in Title VII Actions (Employment Law Library)

Building on a landmark in legal publishing, *Representing Plaintiffs in Title VII Actions, Second Edition* offers you a wide array of legal tools for mastering the basic theories, case management methods, discriminatory practices, class actions, dispositions, and remedies in this vital area of the law. Written in clear, concise language, this unique two-volume set includes a wealth of updated information on Title VII cases, including:

Summary judgment A greatly expanded discussion of jury trials
A groundbreaking chapter on religious discrimination
A section on race and national origin An important chapter on choice of forum
An expanded discussion of sexual harassment litigation with an explanation of new decisions from the Supreme Court
Extensive analysis of damages and the preserving of damage awards And more.

Representing Plaintiffs in Title VII Actions also discusses and analyzes cases that illustrate the use of expert witnesses, showing you how to prepare and present those witnesses to your best advantage. *Representing Plaintiffs in Title VII Actions* allows you to acquire the expertise you need to build and win your Title VII case.
