

## CompTIA Security+ SY0-301 Cert Guide (2nd Edition)

Now fully updated for the new CompTIA Security+ SY0-301 exam, the CompTIA Security+ SY0-301 Authorized Cert Guide is a comprehensive self-study tool. It brings together all the information and insight candidates need to succeed on this challenging exam - all organized and edited to improve retention and help professionals efficiently focus their study. The products features include: Over 500 questions and answers in total with in-depth explanations of all answers Two full sample tests based on the new exam End-of-chapter case studies and hands-on video exercises that help students practice what they've learned Quizzes, memory tables, study strategies, tips, notes, cautions, key terms, troubleshooting scenarios, and more The disc contains both practice exams in a simulated test environment, memory tables, and 25 video solutions to the hands-on labs (print version only) While experienced network professionals can use this book purely as an exam study guide, novices can also use it as a comprehensive IT security training manual.
