

Contemporary Australia: Optimism

More than 60 contemporary Australian artists feature in this publication produced for Contemporary Australia: Optimism, the first in a major new national triennial series of thematic Australian art exhibitions. It explores the rich and complex territory of the possible in Australian life and culture. The artists in Optimism respond with energy, passion, colour, humour and irreverence. This publication encompasses painting, sculpture, drawing, photography, installation, video, cinema, animation, music and comedy.
