

Autumn Healing [Welcome to Sanctuary 4] (Siren Publishing Menage Amour): 2

[Menage Amour: Erotic Paranormal Menage a Trois Romance, M/F/M, shape-shifters] Army veteran and midwife Autumn Ryans spirit is shattered. She just wants to find a cave to hide in. Instead, her father sends her to Sanctuary, where everyone is expectantly waiting for Spring to give birth to the next generation of Sullivan shape-shifting Irish Wolfhounds. As soon as she meets them, Autumn is drawn to Evan and Frank. For the first time in her life, she feels a contentment and peace shes searched the world over for. Frank and Evan envied their brothers but discounted the possibility that the last Ryan sibling would be their mate. Then Autumn walks into their furniture-making shop, and all they can think about is claiming their mate. But Autumn has painful secrets haunting her. Can they heal their woman and find the kind of happiness their brothers have found? Will she stay long enough to help Spring have her babies? Or will she cut and run? Note! Even though each title in the Welcome to Sanctuary series is stand-alone, we recommend reading this book in sequential order. ** A Siren Erotic Romance
