

## Course360 Computers in the Law Office on CLMS Printed Access Code

Course360 for Computers in the Law Office is a full online course, designed by a team of Instructional Designers and Subject Matter Experts specifically for online or hybrid learning environments. Our team of experts finds the best digital content in our library to teach all relevant topics, and we then write assessments to test them. Syllabus, content and assessments are all tied together through an outcomes-based framework that focuses on your students ultimate success in the course. Course360 also works within your very own Learning Management System and is highly customizable and flexible. We can perform customization for you, or you can make modifications along the way. Either way, you have the opportunity to make the course your own.
