

Court Performance Measures in Child Abuse and Neglect Cases: Users Guide

The Toolkit for Court Performance Measures in Child Abuse and Neglect Cases provides practical and comprehensive guidance on how dependency courts can institute a system of performance measurement and create more efficient and effective operations. The result of a collaborative, broad-based effort between the Childrens Bureau of the Department of Health and Human Services and OJJDP, the Toolkit provides practical, comprehensive guidance on how to undertake performance measurement to improve child and family outcomes of safety, permanence, and well-being and move toward more efficient and effective dependency court operations.
