

Creating a Haven: Simple Steps For a Healthy and Nurturing Home

Creating A Haven: Simple Steps For a Healthy and Nurturing Home will help you make your home a positive space in a harsh world. This unique book utilizes holistic living practices from around the world. East meets West and the result is ancient and modern day solutions for living to make you feel good in your home, including: feng shui energy patterns plus cures and enhancements for all homes built between 1924 and 2024 * Native American energy clearing* Reducing exposure to EMFs (electromagnetic frequencies) * Dowsing for geopathic stress lines * German baubiologie (building biology) * Detoxing your home by identifying and removing toxic sources of allergies and illness* Determining your best sleeping directions for improved health, wealth and relationships* Clutter control* The psychological impact of your stuff and more Creating a Haven gives you the tools to identify and correct the many different kinds of negatives that can be in and around your home and affecting your life. Using these simple steps will help you on your path to positive living. Enjoy your haven!
