

Guide to Factual Investigations (U.S. Wars)

Guide to Factual Investigation is presented in a self-instruction format, making it useful as a training tool for law firms and businesses utilizing paralegals and other legal personnel. This step-by-step guide to records investigation prepares paralegals to conduct the type of factual research professionals do on a daily basis. Nothing in this book is theoretical or academic. Guide to Factual Investigation utilizes a practical application and concrete examples, making it an excellent reference book for both the student and professional.
